7. Short Term Vacation Rentals (STVR) in OB

Tourism to our quaint beach town helps our economy thrive, but many residents have been feeling the affect of short-term vacation rentals as fewer homes are available for affordable long-term rental. Representatives from [Save San Diego Neighborhoods](#) will provide an overview on short-term vacation rentals, community impacts, and enforcement of current municipal code. Come share your experience, concerns, and feedback on STVRs during our community discussion.
