8. Community Forum on Target in OB

The OBTC will host a community dialogue on the proposed lease of the Antique Mall building to a Target Express storefront in OB. We have invited Target representatives and the property owners to provide information to our community on their proposed Target storefront and to receive community feedback and concerns. We are openly inviting community members and business owners to come to the meeting with viable solutions for how this space could be better utilized in our community. Additionally, we are also seeking to receive community demands or requests of Target – if Target was to locate in OB, what do you want from this company?
